

Action taken report on the Feedback Analysis (2020-21)

Following actions have been undertaken on the basis of the feedback received from the stakeholders:

1. An online payment system was implemented for students through the Student Data Management System (SDMS).
2. The Academic Council introduced a more effective mentor-mentee system, offering comprehensive support to students during the challenging times of the COVID-19 pandemic.
3. A Memorandum of Understanding (MoU) was signed with Right Brain Technologies to introduce a Learning Management System, Open Educational Resources, and an online student feedback system.
4. The IT infrastructure of the Accounts Office was upgraded, including the enhancement of Tally software from a single-user to a multi-user version.
